

EPA Registered to kill SARS-CoV-2 (the virus that causes COVID-19)

GERM CONTROL

Neutral pH multi-surface cleaner, disinfectant and deodorizer!

Case of 4 gallons - Item #128375

- Germ Control is a concentrated, multi-surface, germicidal detergent and disinfectant. Effective in hard water up to 400ppm and in the presence of 5% soil load.
- Disinfects, cleans and deodorizes in one labor-saving step.
- Hard Surface Disinfecting - can be used on floors, walls, toilet bowls and urinals, medical equipment, locker rooms, dressing rooms, shower areas, cages, kennels and stables, countertops, cabinets, table tops and more.
- Recommended for use in health care facilities, nursing homes, correctional facilities, health and exercise clubs, locker rooms and schools. Also recommended for animal quarters and kennels in veterinary clinics and pet kennels.

Super concentrated - use only the amount that you need. Diluted at a ratio of 1:64 (2 ounces per gallon of water) Germ Control provides 660 ppm of active quaternary germicide making it highly effective against a broad spectrum of pathogenic microorganisms. Apply to surfaces and leave visibly wet for 10 minutes to achieve total disinfection. Use stronger solutions for tougher cleaning jobs according to use directions.

Germ Control is EPA registered to kill SARS-CoV-2, Hepatitis B & C, HIV -1 (AIDS virus), Herpes simplex Type I & II, Avian Influenza A H5N1 virus, Avian Influenza A H3N2 virus, Canine Coronavirus, Canine Parvovirus (CPV) (8oz per gallon), Canine Distemper virus, Rabies (8oz per gallon), Swine Influenza A (H1N1) virus and more.

See label for complete list of claims and dilution ratio details.

TECHNICAL DATA

REGISTRATIONS:

EPA Registration Number 10324-154-42666

APPEARANCE: Amber liquid

SCENT: Light citrus-orange scent

pH: 6 - 8

DISINFECTANT TYPE: Quaternary Ammonium Compound

ACTIVE INGREDIENTS: Didecyl dimethyl ammonium chloride - 2.54%, n-Alkyl (C₁₄50%, C₁₂40%, C₁₆10%) dimethyl benzyl ammonium chloride - 1.69%

DILUTION RATIOS: 2-9 ounces per gallon. See label for details.
