

# Clean Skin

## Countertop Hand Sanitizers and Soap

**Clean Skin™** hand soaps and sanitizers produce a rich foam directly from the bottle minimizing the volume of liquid soap consumer per use. Just one pump delivers enough foam to thoroughly clean hands.

Clean Skin in pint bottles are convenient. Keep bottles of Sanitizer strategically placed throughout your business makes it easy for regular use. Have a bottle of the Mango in your restroom, breakroom, or kitchen for hand washing.

### Clean Skin Alcohol Foaming Hand Sanitizer - #128283

Case of 12 pints - \$175

Kills 99.9% of most common germs. Contains 62% alcohol as recommended by the CDC.

Use without water. Dispenses as a foam eliminating the need for potentially messy gel sanitizers.

### Clean Skin Alcohol FREE Foaming Hand Sanitizer - #127891

Case of 12 pints - \$150

Kills 99.9% of most common germs. Contains no alcohol that could harm children or dry skin.

Requires no water. Dispenses as a foam eliminating the need for messy gel sanitizers which can drip and damage surfaces.

### Clean Skin Mango Hand Soap - #127676

Case of 12 pints - \$119

Perfect for general hand-washing. Removes grease, dirt and more. pH balanced and gentle on hands.

Contains mild detergents, emollients and skin conditioners which leave hands clean, soft and smooth.

Dispenses as a foam minimizing the volume of liquid soap consumed per use.
