

## NI-712 Clinging Gel Deodorizer Powerfully Concentrated

- Spray gel on nonporous vertical and irregular surfaces.
- Eliminates odors without spraying anything into the air.
- Gel clings and is perfect for diaper pails and trash cans.
- Can be used in both indoor and outdoor environments including -
  - park restrooms and outhouses
  - locker rooms
  - garbage chutes
  - dumpsters and trash compactors
  - air handlers and ventilation systems
  - disposal areas
- Releases pleasant citrus scent.
- Gel slowly evaporates and completely disappears, leaving no stain or residue behind.
- Reapply after product dissipates or when more odor control is desired.

12 aerosol cans (15oz) per case. Item #127843-12
